

Hey C-Kids Families!

Here are a few ways we can connect-

C-Kids Online Services

During this time, we are sending out our lessons online. Every Sunday morning at 8:00 AM, we email our C-Kids lesson to parents. This email includes our Nursery Lesson for infants and toddlers. Praise and worship for preschoolers and school age kids, a video from their teachers, and curriculum links for all preschoolers and school age children. These links include additional videos, activity pages, discussion questions and more.

C-Kids Facebook Page

Check out our new [C-Kids Facebook Page](#)! We also post our Sunday video from teachers and curriculum links on our C-Kids page each Sunday. We also post throughout the week about what we're learning and what's coming up at Celebration for C-Kids.

C-Kids Newsletter

Every Monday we send out our C-Kids Newsletter. In it you will find a recap of what we learned the day before, and what's coming up for C-Kids at Celebration.
